OBJECTION TO APPLICATION FOR FEE FOR SPECIAL COUNSEL

The Office of the Bankruptcy Administrator for the Western District of North Carolina objects to the fee application for Long, Parker, Warren, Anderson & Payne, P.A. ("Long firm"), and says:

1. This is a Chapter 11 proceeding in which a voluntary petition was filed on or about March 25, 2009.
2. On May 11, 2009 an Order authorizing employment of the Long firm was entered.
3. June 30, 2009 the debtor filed an application for compensation to the Long firm.
4. The application includes billing from April 7, 2009 through May 29, 2009.
5. The Bankruptcy Administrator objects to the fees that were incurred prior to the Order authorizing employment of the Long firm.
6. Additionally, there are several entries where it appears that more than one professional has billed for the same task.
7. The Western District of North Carolina's Guidelines for Compensation and Expense Reimbursement of Professionals refers to this practice as "double-teaming" and recommends that explanations should be given whenever more than one professional attends a conference, hearing or meeting.

Wherefore, the Office of the Bankruptcy Administrator of the Western District of North Carolina respectfully requests that the fees incurred prior to the Order authorizing employment and the fees where more than one professional has billed for the same task be disallowed and for such other relief as is the Court deems just and proper.

This the 20<sup>th</sup> day of July, 2009.
